In 2011 **Stephen and Susan Beck**, together with 24 FTH students, planted a multi-everything church for the Frankfurt metro region. Through the refugee wave that came over Germany, this church multiplied to 15 congregations in 6 years. In 2020, while continuing to teach church planting, Dr. Beck broadened the ministry of church planter training that started in 2006 into *mosaiXmultiply*, the online training of men and women to form missional, multiplicative, and intercultural congregations called *Mosaix Academy*.

Andrew Hodson is a church planter who has pioneered and planted several churches in the Dudley and Stourbridge Area of the West Midlands. He is a **Counties** Evangelist, part of the **M4 UK** Leadership team and serves as UK Director for **Greater Europe Mission**. Andrew also heads up the **Engage West Midlands** Strategic Leadership Team

Born in the UK with a Chinese background, **Jessie** is a fan of all things intercultural. She studied Music and Ethnomusicology with an interest in second-generation immigrants, intercultural worship and missions. Jessie is in the **Songs2Serve EU** core team, a ministry equipping intercultural churches across Europe towards creating new shared worship cultures which reflect the diversity of God's people. She also leads the **Songs2Serve UK** network, working specifically in the British context. Jessie is enjoying planting a new intentionally intercultural church plant in Harrow, London, called *Mosaic*, where she leads worship.

Adam is the national director of **Intercultural Churches UK** (www.icuk.network) and part of the **Engage** Strategic Leadership Team. Adam lives in Derby where he planted an intercultural church and now helps lead Reach; a diverse church working across the East Midlands. IC-UK is a resourcing network committed to seeing a new generation of churches emerge in the UK that fully reflects the diversity of our communities and God's love for all nations."

Born in Chicago to parents of Chinese descent, **Yucan** came to understand and experience Jesus in his teenage years while in California, and began to help create and lead communities of faith in his early 20s. He holds degrees in Sociology and Biology, and graduate degrees in Theology, Urban Studies, and Missiology. He has been married for 20 years, and has two teenage daughters. Yucan is the Director of the **Ethnos Network**, a church planting coalition that starts multi-ethnic faith communities in urban areas around universities.

Dr Martin Robinson was born in India of British parents and educated in the UK. Following 12 years working as a clergy person, mostly in inner city Birmingham, he spent 15 years as the Director of Mission and Theology at the Bible Society. Martin was the Principal and CEO of ForMission College for 18 years. Currently he is the National Moderator of FCC and also part of the **Engage West Midlands** core team. Martin has written some 16 books on mission in the West and is an acknowledged international speaker, writer and thought leader.

Emmanuel and his wife Rita are the senior Pastors at **The Love Centre, Wolverhampton** – they love life and live it to the full! He is an evangelist and intercessors and they long to see people accepted for who they are and loved unconditionally, irrespective of the colour of their skin, culture, status or financial background.

Andy Mackie is the **Forge** Midlands Director helping to 'mobilise and equip the people of God to participate in the mission of God'. He is also on the **Engage WM** Strategic Leadership Team. Andy lives in Birmingham, and has a passion to see the city and region transformed by the kingdom of God. Through strong city relationships, he is now focusing his energies on the wider church, across the city and region, to reach communities and multiply ministries.

Ian Collinge is an ethnodoxologist with WEC Int- with a keen focus on intercultural worship. Ian has experience in Asia and Europe as a musician, pastor, church planter, ethnomusicologist, ministry leader, college tutor and consultant. He and his wife founded WEC's arts ministry, *Arts Release*, a collective of musical, visual and performing artists <https://artsrelease.org>.
